

HOW TO COLLECT HAIR

- Tail hair is used for all items
- Brush and SHAMPOO the tail DO NOT use conditioner rinse well and allow to dry
- Brush tail and choose a section of hair in the middle, either at the base or the side of the dock, in the middle of the tail. **Take a section of hair approx. as thick as a sharpie pen or as thick as your LITTLE finger. Aim for the longest hair in the tail.** If you are requesting numerous items items please ensure you supply at least double the thickness.
- Secure the chosen section with tape or a band making sure it is secured firmly
- Cut Hair
- Wrap Hair lightly around you hand and place in a zip lock bag and label clearly, DO NOT FOLD or braid the hair as this will crimp the hair
- If sending 2 or more horses hair please send in separate bags and make sure both are clearly marked with your horses name. When writing order please stipulate which horses hair is to be used.
- Length of hair required – **Minimum length of 35cms**
- If not enough hair has been sent i will contact you to discuss.
